

STATE OF HAWAII  
Department of Land and Natural Resources  
Engineering Division

July 11, 2008

Board of Land and Natural Resources  
State of Hawaii  
Honolulu, Hawaii

**Certification of Election and Appointment of  
West Oahu Soil and Water Conservation District Directors**

Under Chapter 180, Hawaii Revised Statutes, the governance of each Soil and Water Conservation District (SWCD) is placed in the hands of five directors, two of whom are appointed by the Board of Land and Natural Resources (Board) at the recommendation of the District and three of whom are elected by the land occupiers of the District. Where directors are elected, the Board must certify the election. Directors normally serve for a term of three (3) years.

The following individuals have been duly elected or appointed to serve as directors of the West Oahu SWCD for a term ending June 30, 2011:

|            | <u>Name</u>       | <u>Title/Organization or Occupation</u>           |
|------------|-------------------|---|
| APPOINTED: | John McHugh       | Agricultural Consultant                           |
| ELECTED:   | Peter Gibson      | Natural Resources Coordinator, James Campbell Co. |
|            | Michael T. Austin | Plant Manager, Syngenta Seeds Hawaii              |

**RECOMMENDATION:**

That the Board certify the elections and appoint the person recommended to serve as directors for the West Oahu Soil and Water Conservation District for a term ending June 30, 2011.

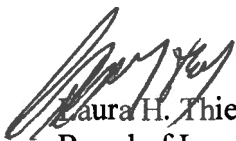

Respectfully submitted,

ERIC T. HIRANO  
Chief Engineer
